Such delays include but are not limited to delays closed by traffic, weather, bridge closures or malfunction, customer tardiness, etc. Should these circumstances require the move to be rescheduled to a later date, one additional hour of travel time will be incurred.

2.8 Articles, Special Service

The rates and charges in this tariff do not include servicing or connection of appliances such as freezers, refrigerators, ice makers, dish washers, washers/dryers, gas appliances, televisions or similar articles. SMOOTH MOVE is not responsible for the electrical and/or mechanical functioning of IT equipment (computers, copiers, hard drives, printers, etc.), TV's, radios, clocks, or any other similar items or appliances regardless to whether or not our employees packed or loaded the items. We highly recommend major appliances be serviced by a 3rd party qualified service company. SMOOTH MOVE is strictly prohibited by insurance to disconnect or reconnect the Shipper's appliances and articles; and this remains the sole responsibility and liability of the Shipper.

Section 3

3.1 Claims Process, Valuation and Exclusions

Basic Valuation Protection

Basic Value Protection is a type of coverage included standard with all regulated moving services at no additional charge. This level of protection can often be minimal and inadequate as it provides a released value of \$0.60 per pound per article if items are lost, destroyed or damaged. For example under this coverage, the mover would only be required to pay \$24.00 for a broken flat screen television weighing 40 pounds. We reserve the right to repair the damaged items or replace with like-kind quality at current market value. If the damages cannot be repaired, customer will be compensated based on the Basic Value Protection, as set forth in the next paragraph, that they acknowledged acceptance of by signing for on the bill of lading prior to the move taking place.

Additional Insurance or Full Replacement Coverage

SMOOTH MOVE does not provide or sell additional insurance or full replacement value coverage. These type of coverages are recommended and may be purchased solely at the option of the Shipper through a 3rd party provider that has no affiliation with SMOOTH MOVE.

Exclusions

Certain items are excluded from the Basic Valuation coverage and any and all liability of SMOOTH MOVE:

2. Ready to Assemble or Press Board Furniture (made of engineered wood and paper laminate finish, due to the inherent risk and sustained integrity of this type of furniture). This also includes particle board and MDF furniture.
3. Fragile items unless packed, moved and unpacked by us
5. Contents of drawers, containers, totes, and other items of similar nature
6. Loose items not boxed or packed
7. Electronics including televisions and computers and related equipment
8. Pre-existing damage and ordinary wear and tear

Section 3.7 - No liability or responsibility for water and gas line connections

Section 3.8 - General Limitation of Liability

We shall not be held liable in any form for losses to items by mold, moth, rot, rust, weather, dirt, deterioration, terrorism, acts of nature, driveways or sidewalks not able to withstand the weight of our trucks, trees or landscaping, or any other causes for loss or damages outside of our control. We are only liable for loss or damage arising from our own negligence.
